BOARD FOR CORRECTION OF NAVAL RECORDS
2 NAVY ANNEX
WASHINGTON DC 20370-5100

JRE
Docket No: 6488-98
8 September 1999

From: Chairman, Board for Correction of Naval Records
To: Secretary of the Navy

REVIEW OF NAVAL RECORD

Ref: (a) 10 U.S.C. 1552

Encl: (1) DD Form 149

1. Pursuant to the provisions of reference (a), Petitioner, mother of subject officer, filed enclosure (1) with this Board requesting, in effect, that her late son's naval record be corrected to show that he was retired by reason of physical disability prior to his death, and that he elected insurable interest coverage for her under the Survivor Benefit Plan (SBP) at the maximum level.
2. The Board, consisting of Messrs. Bishop, Whitener and Zarnesky, reviewed Petitioner's allegations of error and injustice on 29 July 1999 and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, naval records, and applicable statutes, regulations and policies.
3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice finds as follows:
 - a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.
 - b. Enclosure (1) was filed in a timely manner.
 - c. Subject sustained severe injuries in a motor vehicle accident which occurred at approximately 1500 hours on 15 June 1998. The military vehicle he was operating at that time was struck by another vehicle which crossed the center line of a highway. Subject expired the following day at 1010 hours.

CONCLUSION:

Upon review and consideration of all the evidence of record, the Board concludes that disability evaluation processing should have been initiated and completed prior to Subject's death, and that had that such processing been completed, he would have been transferred to the Temporary Disability Retired List with a disability rating of 100%. Accordingly, the Board finds the existence of an injustice warranting the following corrective action.

RECOMMENDATION:

a. That Subject's naval record be corrected to show that he was transferred to the Temporary Disability Retired List on 15 June 1998, pursuant to 10 U.S. Code 1202, due to brain trauma rated at 100% under Department of Veterans Affairs Schedule for Rating Disabilities code number 8099-8009; and that he elected insurable interest coverage under the Survivor Benefit Plan at the maximum level, for his mother, [REDACTED]

b. That a copy of this Report of Proceedings be filed in Subject's naval record.

4. Pursuant to Section 6(c) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(c)) it is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above entitled matter.
